BOOK SYNOPSIS

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. This concise and affordable book teaches students the skills and strategies that will enable them to be lifelong learners capable of knowing how to approach new and challenging material in college and beyond. Although the first priority of College Success Strategies is to help students learn effectively in their college courses, the skills they learn from this text will serve them well in the future in a variety of learning situations. It is designed to engage students in thought about their own learning and the important role they play in the learning process. The strategies used in this book are based on the authors' many years of experience interacting with college students and professors, as well as their own research focusing on how college students study. Students are often unprepared for the study demands of college and therefore overwhelmed and frustrated with the work. This text is designed to help students obtain lifelong methods and strategies to achieve success in college and beyond.
