BOOK SYNOPSIS

EXCEPTIONAL CHILDREN AND YOUTH, Fifth Edition, provides a concise yet complete introduction to special education for pre-service and in-service teachers. One of the most accessible and readable texts available for the Introduction to Special Education course, this new edition is thoroughly updated to reflect the most current information available about special education practice and children with exceptionalities. The text emphasizes current research and theory about exceptional children, human diversity, inclusion, law and social policy, family involvement, real-life stories about exceptionality, and evidence-based teaching practices--all presented in a warm, personal narrative style. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
