## **BOOK SYNOPSIS**

Company Officer, 2nd Edition, is designed to instruct both career and volunteer firefighters and fire officers who seek promotions to the Fire Officer I or II levels. Based on the 2003 Edition of NFPA 1021, Standard for Fire Officer Professional Qualifications, this book covers job performance requirements needed to ensure that officers are properly equipped with the knowledge to not only accomplish job responsibilities but also to excel in their new role. In addition, the all-important soft skills that are essential to quick mastery of the officer position are also addressed. Important information on how to communicate effectively, provide strong leadership, and operate safely while on the fireground, highlight the skills required for proficiency on the job.
