BOOK SYNOPSIS

"I'm crazy about Laura Levine's mystery series. Her books are so outrageously funny." --Joanne Fluke The future is looking bright for freelance writer Jaime Austen. She's signed up for a new job, she's looking forward to a tropical vacation, and her cat Prozac is slated to star in a major commercial. But when the claws come out behind the scenes, Jaime worries that murder might be the only thing to meow about. . . A writer's life is far from glamorous. Still, Jaime's new gig to write an ad campaign for ToiletMasters' new line of self-flushing toilets comes with a few perks--including a date with the president's dreamy nephew. And with a much-needed trip to Maui on the horizon, it seems life couldn't get any better--until her cat Prozac is tapped to star in a Skinny Kitty commercial. But Jaime never would have guessed the world of cat food could be quite so catty. . . Jaime is nervous that Prozac won't be able to take direction, but the finicky furball ditches her diva behavior for the camera, eating and napping on cue like a seasoned pro. But just as Jaime begins dreaming of fame and fortune, Skinny Kitty's inventor drops dead on the set. Everyone is a suspect--including Jaime. And she'll have to get her paws on the truth before the killer takes a swipe at another victim. . . Outstanding Praise For Laura Levine's Jaime Austen Mysteries Killing Cupid "Levine offers a well-crafted plot." - Publishers Weekly "Jaime is absolutely hysterical. . . this author continues to write the best cozies." --Suspense Magazine Death Of A Neighborhood Witch "Levine's latest finds her at her witty and wacky best." --Kirkus Reviews Death Of A Trophy Wife "If you love a good mystery, this book is for you." --New York Journal of Books This Pen For Hire "Laura Levine's hilarious debut mystery, This Pen for Hire, is a laugh a page (or two or three) as well as a crafty puzzle. Sleuth Jaime Austen's amused take on life, love, sex and LA will delight readers. Sheer fun!"--Carolyn Hart
