BOOK SYNOPSIS

REAs CLEP test preps are perfect for adults returning to college (or attending for the first time), military service members, high-school graduates looking to earn college credit, or home-schooled students with knowledge that translates into college credit. /REAs comprehensive review covers all the topics found on the official CLEP Western Civilization II exam: the Industrial Revolution, Napoleonic Europe, the French Revolution, World War I and II, the Cold War, and beyond. /Students start their study by taking our diagnostic practice test online. This timed test includes automatic scoring and diagnostic feedback to help students pinpoint their strengths and weaknesses. The book includes 2 practice tests that mirror the actual exam, allowing test-takers to become familiar with the test format. Each practice test comes with detailed answers, so students can identify areas in need of improvement.
