## **BOOK SYNOPSIS**

When the frail, trembling figure of Muhammad Ali lit the Olympic flame in Atlanta in 1996, a TV audience of up to 3 billion people was once again gripped by the story of the world's most famous sporting icon. The man who had once been reviled for his refusal to fight for his country and for his fast-talking denunciation of his opponents was now almost universally adored, the true cost of his astonishing boxing career clear to see. In Jonathan Eig's ground-breaking and definitive biography, we get a comprehensive portrait of one of the most significant personalities of the second half of the twentieth century. We are not only taken inside the ring for some of the most famous bouts in boxing history, we also learn about his personal life, his finances, his faith and the moments when the first signs of his physical decline began to show. Ali was a symbol of freedom and courage, a hero to many, but this is also a very personal story of a warrior who vanquished every opponent but was finally brought down by his own stubborn refusal to quit. An epic tale of a fighter who became the world's most famous pacifist, *Ali: A Life* does full justice to an extraordinary man.

### **STING LIKE A BEE MUHAMMAD ALI VS. THE UNITED STATES OF**
