BOOK SYNOPSIS

What do the Economic Freedom Fighters (EFF) stand for? How do they propose to nationalize mines, banks, and land? Is Julius Malema, the founder of the EFF, equipped to legislate or to lead? These tough questions are asked in *The Coming Revolution: Julius Malema and the Fight for Economic Freedom*. Malema is tackled on his tax woes and on the "tenderpreneur" label by Janet Smith, an executive editor of the *Star*. Smith asks Malema to explain, contextualize, and motivate his political agenda and the genesis of the new party. Hard-hitting and informative, *The Coming Revolution* disrupts the dominant South African political narrative.
