## **BOOK SYNOPSIS**

I wrote The Patient Advocates Handbook, a content-rich, easy-to-use, quick reference patient advocacy book to offer you, the patient advocate, concise explanations, options and suggestions, which will help you learn about and cope with many of the unfamiliar, but common healthcare issues most patient advocates and their families face at the hospital and at home. This patient advocate book discusses common situations created by illness and recovery to offer relevant information when you need it, so your increased familiarity with healthcare issues as an informed patient advocate will lead to better results for your loved one. Keep this handbook with you to optimize the hospital stay and to have a more effective experience as an advocate and caregiver for your loved ones healthcare at the hospital and at home. James Thomas Williams
